“What a nice surprise! This will help me get through finals!”
- Student Class of 2019

Dear WWU Parent,

Greetings from Western Washington University! Our department is very excited to be offering finals prep care packages for your student in Fall 2017 which is December 4-8, 2017. We are proud to be able to provide this service on a quarterly basis to the parents and students of WWU. We started this tradition 19 years ago to help support various student programs such as intramural sports, instructional classes and to purchase open recreation sports equipment. Last year we had over 10,500 student participants in our programs. Our department hires approximately 250 student employees each quarter, this fundraiser helps us employ more students. The money fundraised by our office goes directly back to the students.

To see a photo of the packages we are offering this quarter please go to: www.wwu.edu/campusrec and click on the Survival Package link on the left side of the page. A generous selection of tasty treats just in time for finals prep week is always appreciated by your student. Plus you get to add a personal note sending your love and encouragement.

Ordering is a snap. Online payments will be accepted at the link provided above. You can also pay by check by filling out the attached order form. Then fill out the green card and write your message on the back of the card. Your package will be prepared and distributed just in time for exams.

We’re aiming for 100% parent participation this quarter!

The Finals Prep Week TOTAL STUDY PACK includes study essential items to help your student prepare for their final exams! Students will find a Campfire mug, Triangle Highlighter, Index Cards, Sticky Notes, and a Stress Ball all imprinted with the Campus Recreation Logo. Your student will also find a large assortment of tasty treats to help students endure those long hours of studying!! The foods listed below will come in a Grocery Tote Bag. This package will help your student succeed as they benefit from your support that comes along with these fun treats. (If treats listed are not available at time of purchase a comparable treat will be provided.)

- Nature Valley Granola Bar
- Pretzels
- Chex Mix
- Famous Amos Cookies
- Welch’s Fruit Snacks
- Trail Mix
- Instant Oatmeal Packet
- Microwave Popcorn
- Annie’s Organic Bunny Snacks

- Gatorade

The STUDY SNACK PACK is another option without the study essential items, and includes only the foods listed above included in the Grocery Tote Bag. This bag filled with popular snacks will be sure to get them through those late nights studying for Finals.

We’re hoping for your support.

Caitlin Sommers

P.S. Remember, we must hear from you by Monday, November 2, 2017 in order to guarantee distribution for finals week (we email students to pick them up at the Rec. Center starting dead week – Nov 28th).
