  - Unanimous approval
- IAA Reserves Request
  - Will be spending less of earmark funds than originally anticipated.
  - Currently have around \$31,000 in earmarked funds and will likely use about \$4,000 to cover outstanding expenses.
  - Asking for:
    - Approval from DRAC for IAA to extend use of earmarked funds for fiscal year 2026.
    - Approval from DRAC to provide more flexibility in how IAA can use these funds. Hoping to spend money for Model UN and non-Model UN related activities.
- Motion to Approve IAA Requests
  - Moved by Travis Cram
  - Seconded by Timothy Fitzpatrick
  - 10 approvals, 2 abstains
- Minor revisions to current FY24 Budget
- S&A Recap
  - DRAC has been working to understand other budgets.
  - Outback Farm was not included in the DRAC proposed budget from AS.
  - Looking at the numbers, Outback Farm wouldn't be fully funded until December.
  - DRAC will be asking AS more questions about their budget.
